

## Blank Space

Taylor Swift

STANDARD TUNING w/

CAPO ON 3

[Verse]

**D**

Nice to meet you where you been

**Bm**

I can show you incredible things

Magic, madness, heaven sin

Saw you there and I thought

**G**

Oh my God, look at that face

You look like my next mistake

**A7sus4**

**A**

Love's a game, want to plaaaaay?

**D**

New money, suit and tie

**Bm**

I can read you like a magazine

Ain't it funny rumors fly

And I know you heard about

**G**

Me so hey, lets be friends

I'm dying to see how this one ends

I can make the bad guys good for a weekend

**[Chorus]**

**D**

**Bm**

So it's gonna be forever or it's gonna go down in flames

You can tell me when it's over mmm

**Em**

If the high was worth the pain

Got a long list of ex-lovers

**G**

They'll tell you I'm insane

**D**

Cause you know I love the players and you love the game

**D**

Cause we're young and we're reckless

**Bm**

We'll take this way too far

It'll leave you breathless, mmm

**Em**

Or with a nasty scar

Got a long list of ex-lovers

**G**

They'll tell you I'm insane

**G** N.C.

**D**

But I got a blank space baby and I'll write your name

[Verse]

**D**

Cherry lips, crystal skies

**Bm**

I could show you incredible things

Stolen kisses, pretty lies

**G**

You're the king baby I'm your queen

Find out what you want

Be that girl for a month

**A7sus4**

**A**

Wait the worst is yet to come, oh no

**D**

Screaming crying perfect storms

**Bm**

I can make all the tables turn

Rose garden filled with thorns

Keep you second guessing

**G**

Like "Oh my God who is she?"

I get drunk on jealousy

**A**

But you'll come back each time you leave

**G N.C.**

Cause darlin' I'm a nightmare, dressed like a daydream
